CAPTURE STILL AND BURN HOUSE

Sergeants Thompson and Gillenwaters and William Crabtree Do Away With Outfit For Making Moonshine in Thompson Valley.

The sergeants of Tazewell and North Tazewell, assisted by William Crabtree, acting on a straight "tip" visited a community in Thompson Valley Wednesday, and after numerous retrograde movements and reconnoitering located a newly built house in the mountain fastness, far away from human habitation, and surrounding the building they descended upon it. But—the lookout had spied them coming and two men ran from the building, Elie Woodyard and Colonel Hill. Each had practiced for such emergency, and were taking fences and rocks like a greyhound, when sergeant Thompson opened up with his "gat" in Woodyard's direction, which caused him to run so much faster. The next shot Woodyard noticed the dirt fly up close to his feet, and the sergeant's command to halt, and thinking of his family and friends, he decided 'twould be the better part of valor to take chances with the jury than with the sergeant's gun. So he stopped and the sergeant gathered him in and brought him to town, but the Colonel made a safe get-away. Woodyard blew the whole thing to the officers, stating that he and his partner were making the liquor on the halves, a local resident furnishing the meal, sugar, etc., and they to do the work. The officers destroyed the mash and paraphanelia, and, acting on the advice of the Commonwealth's Attorney, burned the building in which the moonshine was about to be made.

TIME TO APPLY CALYX SPRAY.

Apply this spray when the petals are 7-8 fallen. This spray consists of 5 quarts standard lime-sulphur and one pound of powdered arsenate of lead to 50 gallons of water. It is for the control of codling moth, scab, curculio, and leaf-eating insects and should be applied to all varieties of apples. If you want apples free from worms and scab be sure to apply this spray to all parts of the tree. There will be one more spray needed this year to be applied June 10 to 25. This consists of Bordeaux 4-6-50 formula to which is added 1 pound of powdered arsenate of lead to each 50 gallons of the solution. This spray controls bitter rot, black rot, codling moth, lesser apple worm, etc. I have a few spray calendars which I shall be glad to give anyone who wants one.—C. K. Fisher County Agent.

TO ALL WOOL GROWERS.

The Board of Directors has voted unanimously that in their opinion the wool should be pooled this year. This board is composed of twelve of the best farmers in the county. A mass meeting of the wool growers will be held at Tazewell in the Court House on Saturday, April 22nd at 1 p. m., to organize a wool pool and decide as to whether it shall be graded or not. Most all farmers say they want to pool but some are opposed to grading. Both sides of this question will be discussed. A Government specialist on wool marketing will speak and his talk will be very interesting and full of information.

For the past four years the pool has gotten all the market would justify for the wool and more than the speculators were offering at the time. Last year it was very difficult to sell wool at all and the speculators would not have it at any price. Since then the market has improved considerably and the pool will make the speculators pay more and get the farmers the worth of the wool. It is up to you to choose between the speculator, who is always ready to bleed you, and your own organization, which has your interest at heart. Pool your wool and support the organization. It is the only way the farmers will ever get a square deal. Wool bags will be sent to those who sign and return contracts. They will be charged against you until the wool is brought in. No bags for sale. Stand together, farmers, and send your contract in at ONCE.

Mrs. W. B. Steele and grand daughter, Catherine Lee Gillespie spent Friday night at Cedar Bluff with their mother and grandmother, Mrs. Jane A. McGuire and daughter, Miss Pearl.

Several from this place attended funeral and burial of Mr. Chas. Hurt at Cedar Bluff, last Sunday, burial at Jones Chapel.

Mr. and Mrs. Gus Hoops have bought at \$6,000.00 farm near Witten Mills and will move to same.

Born on Saturday a son, Martin Pierce, to Mr. and Mrs. M. H. Christian at the home of Mrs. Mary C. Christian. Both are doing well.

A good temperance prayer meeting at Union church last Sunday night. Rev. E. W. Hughes, Episcopal, preached an Easter sermon at 11 a. m. Rev. Eubank, of Christian church, preached at 3:30.

Special singing at church of God next Saturday night, preaching on Sunday night. The new song books are expected by that time.

A FITTING END.

Some people loaf themselves to death. They are chronically lazy, lacking in ambition, and without sufficient energy to take the daily exercise that nature requires in order to keep the body functioning in normal condition.

Their intellects become dulled, their minds become clogged, their joints become stiff, and the red blood of youth turns to the water of permanent old age.

They just drift, and sink, and are promptly forgotten.

A fitting end to a worthless career.

DEATH OF MR. CHARLES HURT.

The town and community was shocked to hear on last Friday of the sudden death of Charles G. Hurt, of Cedar Bluff. Mr. Hurt's death occurred at Wardell where he had been in business for a number of years.

The funeral was held from the Methodist church on Sunday morning and was in charge of Rev. Mr. Kern, the Methodist pastor.

Mr. Hurt was sixty three years old. He leaves four children, Elizabeth, Mayo, Eva and Joseph. Three sisters, Mrs. Columbia Cecil, of Kentucky; Mrs. Lou McFarlane, of Russell county, and Mrs. T. A. Rogers, of Cedar Bluff.

"Charley" Hurt, was one of Tazewell's most reliable and highly respected citizens. For a dozen years he was a merchant at Wardell, in one of the best communities of the county, where he ranked high as a business man and Christian gentleman.

A large circle of his intimate friends regret and mourn his death. His stricken family have the sympathy of the public.

CARD OF THANKS.

Mr. and Mrs. Geo. W. Lewis and family ask us to convey their thanks and appreciation to all their friends whose presence and sympathy were so helpful to them during Lillian's sickness and death. In this connection the girls in telephone central are kindly remembered for their special service during the weary hours of suspense while Lillian's life hung between hope and despair.

MEETING OF D. OF C.

DISTRICT SUNDAY SCHOOL CONVENTIONS.

Mr. Thos. C. Diggs, Secretary of the Virginia Sunday School Association with his assistant, Mr. Crowley, were at North Tazewell on last Thursday conferring with some of the Sunday School workers of the county, planning the work for this year. The purpose is to get the county thoroughly organized this year, if possible. Arrangements have been made for several district conventions at an early date and it is hoped that everybody will help to get the work going. Notice of the District Conventions will be given thru the paper.

IMPORTANCE TO FARMERS.

If you have not placed your order for your harvesting machinery and other goods that you are going to need anyways soon it is important that you do this at once as the chances are we are going to get caught with a general tie-up within thirty days, and which would mean the loss of a lot of business.

No carload shipments can, or will be made out of Knoxville except on a basis of your paying the freights, and with business coming good and with the outlook exceedingly bright for a good hay and wheat crop, and a heavy demand for binders, mowers and rakes, we urge all dealers who have not done so, and who can possibly handle a car load or more of harvesting machines to place their order at once and get the goods rolling as this is being done by dealers all over the United States, which means that it will tax the factories to the limit, saying nothing about the serious delays that will be caused a little later by this coal strike.

This is of such vast importance that we hope you do not wait even for the blockmen to come to see you to get your order, but if you have not placed your order for a car, send it to us by mail.

Yours very truly,
International Harvester Co.

NEWS FROM GRATTON.

Gratton, April 18.—Mr. and Mrs. John Fox, of Cambra, Va., are visiting her daughter, Mrs. S. W. Bourne at this place and also visiting her sister at Tazewell, Mrs. Morgan Wynn, who has been very ill for some time.

Little Virginia, daughter of Mr. and Mrs. T. E. Burton, who has been seriously ill for the past 2 months, is thought to be improving now.

Mr. P. A. Yost has been sick for several weeks, is improving slowly. Mr. and Mrs. Charles Rutherford and family, Liberty, spent Sunday with Mrs. Rachel Burton, also Mr. and Mrs. H. G. Young.

The Concord Sunday School has started out fine under the leadership of Mr. P. G. Baugh as superintendent, and Mr. F. P. Rutherford as assistant. Bound to have a good school.

Miss Nell Cassell was the guest of her sister, Mrs. Hill Baugh for Easter, also came out to Mrs. P. G. Baugh's and Mrs. Lou Gildersleeve's Sunday.

Mrs. Mary Leedy, of Kimball, W. Va., spent two weeks with her sister, Mrs. Elizabeth Burton and other relatives at this place, leaving Sunday to visit in Graham.

Hallie Bourne and family, Mr. and Mrs. John Brooks, all of Bluefield, were visitors to Mrs. Vicie Gilpin's and W. A. Bourne on last Sunday.

Ed Yost, son of S. W. Yost, was visiting homefolks Saturday and Sunday, returning Sunday night to his work in the coal fields.

Miss Ethel Buchanan gave the junior society an egg hunt after the meeting Saturday and the youngsters had 105 eggs for the society. Refreshments were served to the little fellows. The society is doing fine work under the leadership of Miss Ethel.

Quite a number of young people from this vicinity went to Burke's Garden Sunday and took their supper, a good time was reported.

LILLIAN LEWIS.

As forecasted in last issue, Lillian Lewis died shortly after the paper was mailed. Her death occurred at the Sanitarium in Bluefield, on Friday morning about 10 o'clock. The burial took place Saturday morning from the Christian church. Services were conducted by Rev. J. N. Harman, Rev's Arrowood and Lambert assisted in the service. The casket was banked and covered with flowers borne by her young school mates of the High School, all of whom seemed deeply affected in parting with their young friend and classmate.

She was the third daughter of Mr. and Mrs. Geo. W. Lewis. She leaves, besides her father and mother, three sisters and four brothers, who miss sadly their beloved little sister. She was 18 years old.

Beautiful in life, she was more beautiful in death, and the pearly gates swung open wide when this gentle and pure spirit entered.

"There is no death."

What seems so is transition."

LILY BLACKS AFTER SLEMP

Negroes Dissatisfied With Treatment Given Them, and Will Throw Strength to George C. Peery for Congress.

Richmond, April 19.—"Slomp must go." That is the slogan of the Lily Black faction of the Republican party in Virginia, according to M. B. F. Crowell, prominent negro leader of Roanoke. Crowell was in Richmond today in conference with State Chairman J. R. Pollard, of the Lily Blacks, of which faction he is vice chairman. The plan is to put up a member of this faction for Congress in the Ninth District with a view of corraling the 1,000 votes which the Lily Blacks are said to control in the district. That, in the opinion of Pollard and Crowell would be sufficient to turn the tide in favor of George C. Peery, of Tazewell, if Peery makes a fairly decent run against Slomp next fall. So long as Bascom Slomp controls Republican patronage in Virginia, the Lily Black leaders feel that they will never have a look-in on any kind of a job passed out at Washington.

"UNCLE" DAVE THOMPSON DEAD.

"Uncle" Dave Thompson, about 80 years of age, perhaps the oldest colored man in the community, died at his home near North Tazewell last Sunday.

"Uncle" Dave was "a good old man" they say, industrious and upright, and well thought of. No details of the funeral, etc. have reached this office.

LEANDER CARROLL.

Leander Carroll, 73 years old, one of Tazewell's oldest colored citizens, died on last Monday morning, at his home here, after a lingering illness of heart and kidney trouble. The funeral was conducted in the Methodist church of which he was an honored member, by the pastor Rev. Mr. Adams, assisted by Rev. G. M. Dickenson, of Graham. The burial ceremonies were in charge of the Masons. Sinkford and Warren were the undertakers.

Deceased, with his mother, came to Tazewell from Hillsville, Carroll county, during the war. He was a slave of the Carrolls of Hillsville, who freed all their slaves during the war. For more than a half century he had been a citizen of this town. His wife, who was Josephine Warren, sister to T. B. Warren, of this town, and ten children survive him. For about 25 years he was chief cook for the officials of the N. and W. and was retired by the company a year or two ago.

Lee Carroll was an upright man, highly respected by the white as well as colored people, an honor to his race. An industrious, upright, cheerful man, his example is worthy of imitation by all his people.

FRUIT MAY BE SERIOUSLY DAMAGED.

On Wednesday night the mercury dropped to the freezing point and a little below. As these lines are written—yesterday, there has been no change to warmer weather, and unless there is a change serious results are feared.

The fruit trees are laden with blooms, and a freeze now will give everybody "the blues." The weather forecast is for warmer weather today.

IMPORTANT MEETING.

There will be a business meeting of the Laymen's Club at the Court House Friday evening at 8 o'clock. Not only is every member of the Club urged to be present, but every man and woman in the town who is interested in the moral, social and spiritual betterment of the community is cordially invited to attend this meeting.

There are some questions of importance that are to be taken up and discussed and acted upon at this meeting. The ladies of the town are especially invited.

TAZEWELL LAYMENS' CLUB.

TAZEWELL DEFEATS GRAHAM.

Tazewell High School base ball team defeated the Graham Hi team here last Saturday by the one-sided score of 17 to 5. Gillespie, pitcher for Tazewell, was the star of the game, allowing but five hits, and had 23 strike outs to his credit and received splendid support. On the other hand, the Graham pitcher, using the submarine ball, was touched for 22 hits, but received rugged support. If his team mates had given him better support, the score would, no doubt, have been different.

Tazewell was to have played Pocahontas High School here Wednesday, but the game was called off on account of the bad weather. They will play at Pocahontas Friday (today). A fast and good game is expected.
